NEWBURY 4X4 CENTRE

NEWBURY 4X4 SPRING 2026 NEWS LETTER

WHATS NEW:

With Marshalls closing down, we have been experiencing a very high demand of bookings as of late. This is a gentle reminder to please be mindful and book your vehicles in with advance.

Gary has now retired after giving 40 years of service to Newbury 4x4 centre. We wish him all the best in the next chapter of his life and thank him for all his hard work and dedication.

Harrison has been promoted to General manager as of 1st March, so congratulations to him.

Our apprentice Eddie, has taken time out to go down under and travelling up the East Coast of Australia. We wish him a great experience and a well deserved break.

TEA ON THE TAILGATE:

Considering it was Mothers Day, we had a great turn out of vehicles and got to meet some lovely people, talking all things Land Rover.

Many thanks to anybody who took the time to come along.

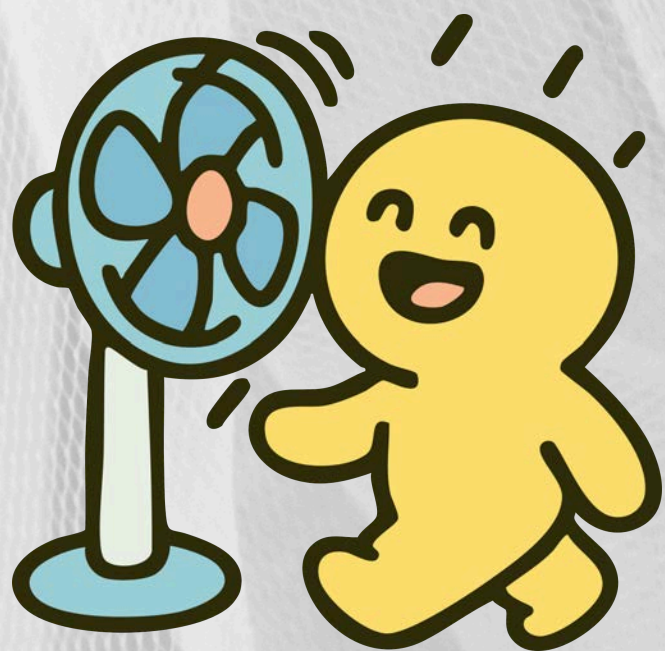

For anyone interested, Berkshires next meet up is on 17th May 10am @ Coombe Gibbet.

A/C SYSTEMS:

Hopefully the sun is starting to shine and warmer days are coming. So it's a great time to ensure your A/C is working as it should. An A/C service includes:

- pressure check
- Drain & refill refrigate with new dye & pag oil if required
- A/C sanitiser - to get rid of any bad oader.

WE'RE HIRING:

We are currently trying to find a good replacement for Gary plus another to add to our busy workshop.

We are looking for talent, drive and ambition to work on the vehicles and be a part of our team here.

Please spread the word to any sons, daughters, fathers, uncles looking for a job :)

YOUR FEEDBACK MATTERS:

A huge thank you to everyone who continues supporting us online – your feedback truely means the world and makes a valuable difference to our business. If you've had a positive experience with us, we would be so grateful if you could leave us a review. Thank you.
