NEWBURY 4X4 CENTRE

NEWBURY 4X4 SUMMER 2026 NEWS LETTER

KIND REMINDER TO OUR CUSTOMERS:

With Marshalls closing down, we have been experiencing a very high demand of bookings as of late. This is a gentle reminder to please be mindful and book in your vehicles well in advance.

Please also appreciate we do get fully booked up, and so it can be tricky when customers ask for extra work to be completed on the day of their booking. Although we try our best to accommodate, meeting those extra demands can be unrealistic, so as much notice as possible beforehand is much more beneficial for all parties.

HEATWAVE:

While the UK is experiencing this extreme prolonged heatwave, it's super important to check your vehicle for safety ie checking the coolant level - to keep the car cool, washer jet fluid level and the temperature gauge.

TEA ON THE TAILGATE:

Tea on the tailgate is a growing popular group of events for Land rover/ Range rover enthusiasts all across the UK, for anyone interested in attending their next events click [here](#)

WE'RE HIRING:

We are hiring vehicle technicians.

We are looking for talent, drive and ambition to work on the vehicles and be a part of our team here.

Please spread the word to any sons, daughters, fathers, uncles looking for a job :)
