NEWBURY 4X4 WINTER 2025 NEWS LETTER

WINTER OFFER:

Our winter offer, please enquire for your fixed price:

- engine oil, filter change and vehicle health check
- from £184 inc VAT
- T&C apply

Please see the flyer below

We have decided to run this promotion as we have noticed a lot of major & costly engine, turbo and timing chain failures with modern diesel engines that could be prevented. JLR servicing intervals is up to 21,000 miles for an oil and filter change, yet if your driving style is not suited to the car, we recommend this be changed more regularly.

DISCLAIMER: This offer is not a full manufacturer service and does not replace due service intervals.

TEA ON THE TAILGATE:

We are so excited to announce we will be hosting Tea on the Tailgate on Sunday 15th March 2026.

Tea on the tailgate is a community of Land Rover enthusiasts that gather in various locations across the UK.

Have you been to any ? Bring your flasks and L/R along, dog friendly too! Please see our flyer below, we would love for you to come along.

CHRISTMAS/NEW YEAR:

We wish all our customers a very Merry Christmas and a Happy New year, and thank you all for continuing to use Newbury 4x4.

Please note we are shut from Wednesday 24th Dec, returning Monday 5th Jan so our team can enjoy a well deserved break between Christmas and New year. If you breakdown in this period, we will be contactable via email to offer any support.

YOUR FEEDBACK MATTERS:

A huge thank you to everyone who continues supporting us online – your feedback truly means the world and makes a valuable difference to our business. If you've had a positive experience with us, we would be so grateful if you could leave us a review. Thank you.

SUPPORTING US ONLINE:

As many of you know, we are working hard to strengthen our presence online. We are a family run traditional business that has thrived/flourished from your kind recommendations and loyalty, however as the world moves online we must evolve with it. We would really appreciate any support by following us on Facebook and Instagram.

OUR LATEST PROJECTS:

We've recently carried out an engine transplant for a customer with an ex military land rover fitting a slightly more powerful engine, the 300tdi.

Another new & interesting job for us was upgrading a customers L/R series 2A braking system. Fitting a brake disc conversion to greatly improve the braking.

UPCOMING PROJECT:

Another project in the pipeline, we have a customer going overlanding in his Discovery 5, who has requested a discrete winch to be fitted to the front of his vehicle.
